

Dear Colleagues, Members of the Worldwide Ceramic Community,

Professor Mirosław BUĆKO
has passed away on Friday, 11th December 2020.

He was the great scientist, focused on solid state chemistry and materials science, with the recognized significance in the international ceramic scientific community. His academic activity was espoused with the Faculty of Materials Science and Ceramics of the AGH University of Science and Technology in Krakow. Present Vice-Dean of the Faculty, the Chair of Chemical Engineering Council in AGH, longstanding Head of the Department of Ceramics and Refractory Materials, longstanding Secretary of the Polish Ceramic Society Council, ECerS Fellow.

He will stay in our memory as beyond compare friend, teacher, editor and excellent scientist, who has inspired many of us with his original ideas and opinions.
